General Liability

August 24, 2018

We obtained summary judgment in the Passaic County Superior Court of New Jersey on behalf of a non-profit shelter for battered women. The plaintiff, who was staying at the shelter at the time of her alleged incident, accused the shelter of negligence with regard to removing snow and ice from their parking lot. The plaintiff attempted to argue that she was not a "beneficiary" of the shelter but was a volunteer, who was not required to help but who chose to work at the shelter in exchange for room and board.
