OVERVIEW

Alec is a member of the Professional Liability Department and focuses his practice on representing insurers in both pre-litigation consultation and the defense of first-party and bad faith lawsuits.

When engaged prior to litigation, Alec is prepared to provide insurers legal guidance and support during the claim handling process in order to ensure appropriate and effective outcomes. He has experience managing SIU investigations, conducting examinations under oath, and assisting with coverage analyses and opinions. In the event that litigation ensues, Alec is experienced in defending insurance companies in lawsuits involving breach of contract, bad faith, and a variety of other extra-contractual claims in both Pennsylvania and federal courts.

Alec earned his Juris Doctor, *cum laude*, from Delaware Law School in 2021. Throughout law school, Alec was recognized on the Dean's List and served as a Bluebook Editor for the *Widener Law Review*. In his final year, Alec served in the chambers of the Honorable Jack A. Panella of the Superior Court of Pennsylvania, where he engaged in the appellate resolution of civil matters.
