## OVERVIEW

Alicia is an associate in the Casualty Department where she handles the defense of local and national clients in a variety of civil litigation matters including premises and retail liability, automobile liability and general liability.

Alicia received her Bachelor of Arts in Psychology from the University of Miami in 2016. She then went on to earn her *juris doctor* from St. Thomas University in 2019. All throughout her undergraduate and law school education, Alicia worked as a paralegal gaining insight that has assisted her throughout her legal career. Despite working throughout law school, Alicia received the CALI Excellence for the Future Award in Criminal Procedure and achieved Dean's List Honors in several semesters.

Outside of the practice of law, Alicia enjoys spending time with her family, friends and dogs, traveling and watching theater performances.
