Villanova University Charles
Widger School of Law (J.D., 2022)

Gettysburg College (B.A., cum
laude, 2019)

OVERVIEW

Lisa Maeyer is a member of the firm's Casualty Department, where she focuses her practice on the defense of general liability matters including premises and automobile liability, in addition to assisting clients in matters involving insurance coverage, Personal Injury Protection (PIP) litigation, and Fraud/Special Investigation.

Lisa graduated *cum laude* from Gettysburg College with a B.A. in English and Writing, with honors, and a minor in Philosophy. Lisa earned her *juris doctor* from Villanova University Charles Widger School of Law in 2022, completing her J.D. with a litigation concentration. During law school, Lisa was a member and then executive director of the Moot Court Board.

Lisa clerked with the firm the summer of 2021 before her third year of law school, continued as a law graduate after graduating in 2022. She is admitted to practice in the state of Delaware.

THOUGHT LEADERSHIP

Motorist's Duty Does Not Include Duty to Slow Down in Anticipation of Danger Not Yet Apparent If Driver Is Otherwise Exercising Reasonable Care

Wilmington
Automobile Liability
October 1, 2023

The plaintiff, Glass-Hill, was making a left turn at the intersection of 495 South and Philadelphia Pike when Gordon, a southbound driver on Philadelphia Pike in the right lane passing a stopped truck in the left lane, struck her. Case Law Alerts, 4th Quarter, October 2023 is prepared by Marshall Dennehey to provide information on recent developments of interest to our readers.

Right of indemnity established against contractor when contract for service is unambiguous, containing explicit hold harmless and damages responsibility provisions, and subcontractor's job-related actions result in property damage.

Wilmington
Architectural, Engineering & Construction Defect Litigation
July 1, 2023

The plaintiff, a construction entity, originally contracted with the defendant to provide finished concrete products to a construction site. Case Law Alerts, 3rd Quarter, July 2023 is prepared by Marshall Dennehey to provide information on recent developments of interest to our readers.

The workers' compensation exclusivity exception must be narrowly construed and the contract at issue must contain sufficient language to establish a third-party indemnity obligation.

Wilmington
General Liability
April 1, 2023

The plaintiff originally asserted several theories of liability in his complaint, including negligence and breach of express and implied warranties against the defendants, the manufacturer/seller of industrial equipment and the licensor/seller of Case Law Alerts, 2nd Quarter, April 2023 is prepared by Marshall Dennehey to provide information on recent developments of interest to our readers.
