April 15, 2024

We obtained summary judgment on behalf of a university in a slip and fall case. The plaintiff, a university student, slipped and fell during an active winter storm as she was walking from one campus building to another. Discovery showed that the plaintiff received an emergency alert from the university warning of potentially icy conditions prior to exiting the building and that freezing rain was still falling as the plaintiff was walking.

Defense Verdict Secured in a Three-Vehicle Accident in Pennsylvania

Automobile Liability

March 8, 2024

We obtained a defense verdict following a compulsory arbitration in a motor vehicle pileup. The plaintiff alleged that while she was stopped in traffic, the co-defendant's vehicle rear ended her, pushing her into the vehicle in front of her. To the contrary, the co-defendant contended that our client caused the entire accident by being the first to rear-end his vehicle, pushing him into the plaintiff's vehicle just once.
