OVERVIEW

Nicholas is a member of the Professional Liability Department where his practice is focused on the representation of law firms, attorneys, employers and agents and brokers, in state and federal courts.

An experienced trial attorney and litigator for over 30 years, Nicholas defends clients in matters involving legal malpractice, employment litigation, real estate litigation, complex commercial litigation, ADA public accommodation and ADA class action litigation. Nicholas has experience practicing before the New York State Division of Human Rights and the New York City Human Rights Commission. He has also been retained by clients to consult on risk avoidance matters and as a trial expert. Nicholas has lectured on evidence and trial practice at various continuing legal education seminars.

Nicholas has significant experience defending owners and contractors in actions arising out of New York Labor Law and New York Industrial Code violations. His experience in litigating commercial and tort disputes provides clients with the ability to understand a variety of underlying matters that are often the basis of legal malpractice actions.

Nicholas graduated with his Bachelor of Arts in Communication Arts from Iona College in 1982. In 1988, he earned his *juris doctor* from Fordham University School of Law and received the American Jurisprudence Award in Torts.

Prior to joining Marshall Dennehey, Nicholas was a member of a New York firm where he focused his practice on the defense of law firms and attorneys in legal malpractice actions, commercial and corporate litigation, and cases brought under New York's Labor Law.
