OVERVIEW

As a member of the Health Care Department, Kristian represents health care providers and facilities in the defense of medical malpractice claims brought against them. Kristian comes to the firm with nearly a decade of experience in the pharmaceutical and health care industry, where he held roles in sales, marketing, and business development, and built relationships with physicians, administrators and pharmacists across the country.

Kristian was born and raised in the City of Philadelphia and is an alumnus of Julia R. Masterman School, where he also served as the assistant basketball coach. He graduated from Temple University with a Bachelor of Science in Kinesiology on the pre-med track and gained valuable experience completing volunteer clinical hours at the Hospital of the University of Pennsylvania and Temple University Hospital.
