Defense Verdict Obtained in Two Consolidated Matters Following a Five-Day Trial

Employment Law

August 22, 2025

We obtained a defense verdict in two consolidated matters in the Eastern District of Pennsylvania following a five-day trial before Judge Gallagher. The first plaintiff alleged he was terminated in retaliation for filing a lawsuit and that he was subjected to racial discrimination during his employment. The second plaintiff alleged he was terminated in retaliation for supporting the wage and hour claims of the first plaintiff. After deliberating for approximately two hours, the jury answered “no” on the five theories asserted by the plaintiffs.
