Tyler is a member of the Health Care Department concentrating his practice on the defense of health care practitioners and providers, as well as physicians' offices, hospitals and health systems in various litigation matters. He works closely with clients to defend against claims and preserve their interests throughout all stages of the litigation process. In addition to representing clients in complex medical malpractice matters, Tyler also commits himself to defending corporations in the general casualty, product liability, construction injury and premises liability fields.

Prior to joining Marshall Dennehey, Tyler worked as a Nationally Registered Paramedic in both Montgomery County and Bucks County. Drawing from his professional health care experience, Tyler understands the nature and complexity of each client's interests and manages each case with a multidisciplinary approach. When clients are confronted with legal obstacles, they can rely on Tyler to appreciate and maintain their interests from the foundational issues through the complex issues that may arise in each matter.
