### OVERVIEW

Dylan is an associate attorney in the Casualty Department, where he concentrates his practice on product liability, premises liability, and automobile liability matters.

He earned his *juris doctor* from Temple University Beasley School of Law, graduating *cum laude*. During law school, Dylan pursued various hands-on learning opportunities. He interned at a plaintiff's firm, focusing on the Boy Scouts of America Bankruptcy Litigation. In his third year, he contributed to the Systemic Justice Project at the Stephen and Sandra Sheller Center for Social Justice, where he assisted clients in filing motions to waive court fees associated with their convictions and proposed a rule change to the Pennsylvania Supreme Court to streamline court processes. Additionally, he held an externship with the City of Philadelphia's Tort Litigation unit.

Before law school, Dylan gained litigation experience as a legal practice assistant at a Philadelphia defense firm, supporting cases in patent, antitrust, and labor and employment law. He holds both a Bachelor and Master of Science in Mechanical Engineering from Drexel University.
