## RESULTS

### Successful Trial Result Achieved in a Philadelphia Premises Liability Matter

#### **Premises & Retail Liability**

**July 11, 2025**

We received a successful trial result in a premises liability matter in Philadelphia Court of Common Pleas. The plaintiff's expert projected future surgeries and extensive life-long medical care costs of \$1.25 million. Much of our defense centered on damages and demonstrating that the projected future medical care was not supported by the actual medical treatment provided. Additionally, video of the incident was used to demonstrate that the plaintiff had actual/constructive knowledge of spilled water in the premises but proceeded to walk in that area anyway.

### Real estate agency dismissed from litigation.

#### **Real Estate E&O Liability**

**July 25, 2019**

The defense prevailed on a motion to dismiss our real estate agency client. The plaintiff filed counts of fraud, deceit, misrepresentation, conspiracy, conversion, invasion of privacy-false light, breach of contract, and promissory estoppel against the agency regarding an allegedly fraudulent transfer of a private residence by the co-defendant seller of the property. We filed preliminary objections, arguing that the plaintiff's claims lacked sufficient specificity and that the plaintiff failed to state a claim upon which relief may be granted.

### **SIGNIFICANT REPRESENTATIVE MATTERS**

Successfully drafted and argued Motion for Judgment on the Pleadings on behalf of international tour operator in a federal court case in which plaintiff (a 35 year old man) drowned while on a fishing excursion near the coast of Costa Rica. (The fishing excursion was booked through the tour operator). The underlying motion was predicated on applicable tour operator liability law, maritime law, and the Death on the High Seas Act.

Successfully drafted Motion to Dismiss on jurisdictional grounds on behalf of internationally renowned California golf resort that was sued by plaintiff for severe head and cognitive injuries.

Obtained voluntary dismissal of all claims as to tour operator sued by plaintiff for personal injuries as a result of alleged injuries stemming from an accident in a resort in Jamaica.

Obtained voluntary dismissal of all breach of contract claims as to local non-profit financial institution in a breach of contract civil action involving close to \$1 million in disputed monies.

Obtained numerous defense verdicts as lead trial counsel on behalf of clients in federal court in which plaintiff alleged false arrest, excessive force, and other civil rights violations.

Obtained multiple summary judgments on behalf of clients in general casualty and products liability matters.
